THE TYCOON'S VERY PERSONAL ASSISTANT (Harlequin comics) Heidi Rice

Secretary Kate has come all the way from London to Las Vegas to accompany her boss on what she'd thought would be a simple business trip. But it seems her boss has more than just work on his mind—he ambushes her in the shower, looking for a weekend of off-the-clock fun. Kate desperately manages to fend off his advances while leaving a few claw marks in her wake, but now she finds herself locked out of her hotel room in nothing but a towel. When hotel owner Zack Boudreaux comes to investigate the commotion, he finds a scantily clad woman of dubious repute and demands that she get out of his hotel at once. What can Kate do to convince him of her virtue?
