College life for Layla Weston isn't starting the way she'd intended. She's revisiting the plans she once had to be the reclusive girl she wanted to be at Heyward Prep, and Layla is more than confident in her ability to succeed this time. After all, she's got a whole new bag of secrets to keep.

Still reeling from Will's disappearance, Layla is doing her best to adjust to life back in Florida. She continues to hold out hope, confident she was meant to find Will's ring for a reason.

Just as Layla is starting to accept that she must keep moving forward, secrets from the past threaten Layla and her family. As Luke and Claire join with Layla to protect their family, Layla discovers that her uncle may not be the man she thought he was – and that there's more to Will's disappearance than she ever could have imagined.
