When The Writer's Tale was published in autumn 2008, it was immediately embraced as a classic. For this extensively revised and updated paperback edition, Russell T Davies and Benjamin Cook continue their candid and in-depth correspondence to take in work on the last of Russell's 2009 specials - and the end of David Tennant's era as The Doctor - while also looking back to the achievements of the first three seasons. With over 300 pages of all-new material, including new photos and original artwork, The Writer's Tale is a fitting tribute to Russell T Davies' phenomenal achievement in bringing Doctor Who back for a new generation of fans.
