Forthright Faith McKinnon is driving English aristocrat Marcus Huntington crazy! Ever since she turned up at his castle to research a valuable stained-glass window, Marcus can't stop thinking about her. Faith might try to hide her true self behind a facade of feistiness, yet to Marcus she's as transparent as the glass she studies. What's more, the vulnerable woman in hiding is frighteningly appealing.

Marcus and Faith don't believe in fairy tales, but being snowed in together over Christmas feels like magic. And the best gift of all would be discovering that happy-ever-afters really can come true....
