What happens when a sassy curvy gal who's looking for love, runs into a drop-dead gorgeous hunky dragon-shifter who's looking for one true mate?

Book One: A Ride with Her Dragon

Curvy Dorina Gabor has never imagined her life would change in one ordinary afternoon when her friend asks her to help him. She's always been quirky and irreverent, with an unusual ability to sense people's true nature and intentions. But when her friend's brother Jax is looking at her like he knows she belongs to him, she can't deny that she's pulled into this man's mystery, even though her instincts tell her he's no average man...

Jax Auger has been looking for a true mate for centuries. Being an immortal dragon shifter comes with undeniable benefits, but eternity is a long time if you're single and...waiting. Sexy, sassy, and curvaceous Dori is the one—he's known it for years—but is she ready to be a dragon's mate? Either she accepts him for who he is, or else...

With their mutual attraction so undeniable, will the willful and independent Dori recognize that Jax is the one for her, just as he knows she's the one for him? Will their love be enough to bond a human and a dragon shifter forever?

Book Two: A Dive with Her Dragon

Sassy, curvy Natalie Richards writes about paranormal romance by day but when her hunky mysterious neighbor offers her a story she can't resist, she knows it has to be too good to be true. He can't really be a mythical creature...can he? Dreams and reality collide as Natalie falls under his spell. Should she give in to his persistent advances, especially since they're getting harder and harder to resist...

Aidan Auger know Natalie is the one the moment he sees her. Curvaceous and spunky, she's gorgeous in every way, and he wants her to be his, for eternity. Convincing her that she's his one true mate is another matter. She has this guy who's sort of her boyfriend, but that's not the biggest challenge. Will she be able to accept him for who he really is—a rare water dragon-shifter?

Sparks fly and passions roar when the two of them are together, but can lust grow into something more? Will Natalie be able to give up everything to be Aidan's mate?

Book Three: A Flight with Her Dragon

Kelsie Bell, an outgoing voluptuous college grad, has always known that when the right man comes along, she'll know right away. And if she decides to be with that man, it will be for good, not until someone better comes along. Of course, she was in no hurry to find such a man — the right time will come eventually, she'd always known that. So when a chance encounter places her in the company of handsome muscular stranger who is looking at her like she's his favorite treat, she can't help but feel the unexplained attraction grow stronger and stronger.

Jaydan Auger has lost all hope at finding his true mate. Sure, his brothers have found theirs and proved that it could happen, but being the oldest and still having no luck at finding his dream wife had him all but give up on the idea. That's when a sassy, gorgeous, curvy Kelsie shows up in his yard. All Jaydan can think of is how can he convince her to never leave his side. Of course, first, he'll have to explain to her that he's not just a man, but something so much bigger...

Both Kelsie and Jaydan know they belong together, but nothing that's meant to be great is easy, is it? Will they be able to overcome their obstacles and enemies? Will true love and destiny persevere after all?
