Imaginatio et Ratio ([www.imaginatioetratio.org](http://www.imaginatioetratio.org)) is a peer reviewed journal primarily focusing on the intersection between the arts and theology, hoping to allow imagination and reason to be seen as intimately intertwined-as different expressions of the same divine truth. Imaginatio et Ratio was started in the hopes that it could serve a growing community of artists and thinkers and strives to present accessible but high quality art, literary fiction, creative non-fiction, and theology/philosophy-as well as interviews and book, film, art and music reviews. The journal is published twice a year and is available in print and digital formats.
