The Human Experience Linda Diamond

How odd it is to be sitting in traffic When only yesterday I danced among stars. The Human Experience is, simply, about being; part of that, of course, is interacting with other humans. Inside you will find several humans, some you may recognize, even love or despise. A glimmer within these pages may even reflect you in some small way-your own love, longing, and radiance. I wouldn't want to be presumptuous, but there is a poem about you and me and I do hope you enjoy it. After all, we do have in common this condition-this brief, miraculous, frightening, enlightening human condition.
