This phrasebook is a collection of useful phrases and expressions in Modern Standard Arabic, the lingua franca of the Arabic-speaking world.

Although Modern Standard Arabic is not the native language of anyone, it is taught in all schools in Arabic-speaking countries, and is universally recognised as the official form of Arabic. Therefore, while people from different Arabic-speaking regions may not easily understand each other's dialect, they will generally be able to understand and communicate in Standard Arabic. MSA has therefore the role of a lingua franca. As such, by learning Standard Arabic, you can generally communicate with any educated person in Arabic-speaking areas.
