**Billionaire's Pursuit: Billionaire Erotic Romance (Never Never Man) (Volume 1)** Sloan Storm

Recently dumped by my ex, I found myself broke and jobless after five years of chasing stardom in Hollywood. Desperate, I took the advice of my best friend and roommate, Katy, and started my own business in a last ditch effort to prevent a full on meltdown into bankruptcy. Little did I expect my first client to be a man like Grey Sinclair. Young, rich and cruelly handsome, he had a reputation for making women squirm in his presence. When I first saw his image in a photo, I'd be lying if I said I didn't feel an irritating stir in places I shouldn't have. Even so, if I failed at making a good impression on him, it could not only mean the end of my business but all my dreams as well. With that much on the line, I would have no problem keeping my urges in check. Right? *This is the first book in a Billionaire Erotic Romance series presented in serial format. It is not a standalone.*
