If you are looking for an interactive and effective way to enhance your toddler's early literacy skills in your own language, or immerse them in a foreign language at a young age, you just found it! Our audio book series! All our books are designed with infants and toddlers in mind, containing large and vivid high-contrast illustrations, and simple one or two word utterances on each page, providing plenty of entertainment, and helping young children better focus their attention. All our books, when accompanied by the audible download, are highly interactive providing great fun for your child. And thanks to our great interactive narrations and added sound effects, it will guarantee hours and hours of reading and learning time for your little one! Through sound effects, our books are continuously engaging your child's attention and interest in the story. Children who are already familiarized with the audiobook will begin to know when to turn the pages guided by a specific bell sound that indicates them when to turn the page, helping them foster their independence and pre-reading skills. Images and clues are cleverly hidden in each page to encourage children to guess the content of the next page, developing through this strategy another important pre-reading skill: prediction. The new words are introduced by a young sweet character that your child can identify with. We are certain that your child will enjoy countless hours of language reading and listening fun with our audiobooks, and jump start your family's interest in developing your child's early literacy or introducing them to a foreign language. Now is the perfect time to do it!
