Take hold of your destiny...

Etta Fleming doesn't know she was meant to return to her true reality four years ago. After years of being the "orphan girl" in the alternate world she grew up in, she's finally carved a niche for herself with a great job, a steady boyfriend, and a best friend by her side.

Undeterred by the shift in the timeline, it is up to Cooper Everett and his friends to convince Etta that she is still destined to become their leader, fighting against their post-apocalyptic future.

Will meeting the ghosts of her past convince Etta that she's part of a grander destiny? Or will her past, present, and future worlds collide?
