The Consequences of the International Crisis for European SMEs: Vulnerability and Resilience (Routledge Studies in the European Economy)

The Consequences of the International Crisis for European SMEs: Vulnerability and Resilience (Routledge Studies in the European Economy)

The book explores how, to what extent and with what consequences the international crisis of 2007-2008 and the recession which followed have affected European SMEs (small and medium enterprises) in both the well established market economies of the old member countries and in the post-transformation new member countries, and what can be done at the institutional and political level to uphold them.
