## VENAS ABIERTAS DE AMERICA LATINA LAS EDUARDO GALEANO

Escribi Las venas para difundir ideas ajenas y experiencias propias que quizas ayuden un poquito en su realista medida a despejar los interrogantes que nos persiguen desde siempre: es America Latina una region del mundo condenada a la humillacion y a la pobreza? Condenada por quien? Culpa de Dios culpa de la naturaleza? No sera la desgracia un producto de la historia hecha por los hombres y que por los hombres puede por lo tanto ser deshecha? Este libro fue escrito con la intencion de divulgar ciertos hechos que la historia oficial historia contada por los vencedores esconde o miente. Se que pudo resultar sacrilego que este manual de divulgacion hable de economia politica en el estilo de una novela de amor o de piratas. Creo que no hay vanidad en la alegria de comprobar al cabo del tiempo que Las venas no ha sido un libro mudo.

Thus there are a lot of benefits that you will get when you buy this book.

#### **Nicholas Ko:**

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the teacher want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this VENAS ABIERTAS DE AMERICA LATINA LAS can make you sense more interested to read.
