Dust: Before and After S.E. Smith

Dust wakes to discover the world as he knew it is gone after fragments of a comet hit the Earth. It isn't the only thing that has changed, though, so has Dust. He now possesses powers that continue to grow, but also come with a price. A deadly encounter after he leaves his home leads to a new discovery, – other survivors.

Dust soon learns that another creature has risen from the ashes, one that is determined to possess the powers that he has. On a journey filled with danger, it will take the skills of not just Dust, but those of his friends, if they are to survive.

This time the race is not to the swift, but to the deadliest in a world where a changed human boy and an odd assortment of friends must face their worst nightmares, and accept that life on Earth will never be the same again.

Join Dust and his friends as they fight to overcome an evil force determined to create a new species unlike anything the world has ever known.
