His fear will soon turn to anger... At first, Chris Buckley was simply warned. And watched. But as Chris unravels the haunting riddles of the town of Solitary, he finds that much more than the life of a town is at stake. Whether facing a pastor with a house full of skeletons or a cousin he never knew existed, Chris is forced to choose between light and darkness, life and nightmarish death. Every choice he makes reminds him that the unthinkable has already happened—and if he trusts the wrong person, it may happen again. This second audio book in the Solitary Tales continues Chris's journey toward finding out who he is and what his own role is in the darkness suffocating his tiny new hometown. Filled with shocking twists, *Gravestone* is a tale of a teenager thrown into a battle over a town, a secret—and ultimately his own soul.
