## **Secrets of a Viscount (Gentlemen of Honor) (Volume 1)** Rose Gordon

One summer night, Sebastian Gentry, Lord Belgrave hauled the wrong young lady to Gretna Green. When her identity is exposed, the only obvious solution is to get an annulment. Only, just like his elopement plans, things didn't go as planned and while she has reason to believe they are no longer married, he knows better. Wanting to make things right for her, he offers to help her find a husband... Isabelle Knight has just been given an unexpected fortune and is in the midst of doing what she never believed she'd have to do: spend a Season on the Marriage Mart. Finding no one who seems to catch her fancy--or even seems bearable to tolerate until death do them part--her entire world is sent spinning with the sudden appearance of none other than her former husband. Isabelle is in no position to refuse his offer to help her find a husband and reluctantly agrees, but what neither counts on is her future husband just might be the one she's still secretly married to.
