(Excerpt)

Up to this point in your life you have made all the right choices: You studied hard in school and applied yourself, you planned things carefully and didn't make any rash decisions, and now you have earned a top leadership position with your company. It is a wonderful feeling to look around and see you are right where you had hoped and planned you'd be, in both your career and your life. Why do you feel so apprehensive and fearful of failure?

Any one of us can be loaded with the finest education. We may have planned our life's path perfectly, and things may be going exactly as planned. None of this will matter of provide any of us with a sense of fulfillment or personal success if we do not believe in our abilities. We need to have a firm grip on our own talents and skills, and we need to have a deep seated sense of trust in self if we ever want to bring our dreams to life.
