The Woman I Was Born to Be: My Story Susan Boyle

In April 2009, a modest middle-aged woman from a village in Scotland was catapulted to global fame when the YouTube video of her audition for *Britain's Got Talent* touched the hearts of millions all over the world. From singing karaoke in local pubs to a live performance with an eighty-piece orchestra in Japan's legendary Budokan Arena and a record-breaking debut album, Susan Boyle has become an international superstar. This astonishing transformation has not always been easy for her, faced with all the trappings of celebrity, but in the whirlwind of attention and expectation, she has always found calm and clarity in music.
