*If you enjoyed the film "Toy Story," you'll like this laughable 10-page satire about the modern lives of two old fashioned dolls. Ideal for reading aloud to kids, this parody is also fun for grown ups - especially couples who are growing older together.*

In this story, the iconic Barbie and Ken are now over 50 years old -- but they are still "trapped" in youthful looking plastic bodies. Will they ever really grow up? Read this light-hearted short story to find out!

In other ways, though, they've changed with the times. They text and tweet and use social networking; they've retired Ken's gas-guzzling sports car for a hybrid; and both of them believe that a toy shouldn't be judged by the color of its plastic skin, its income, religion, or age!

As the Valentine's Day holiday approaches, Barbie asks Ken for a special gift that will change both of their lives forever. Find out what happens in this whimsical parody of an iconic American couple.
