Part 1: Love don't cost a thing... except everything.

When billionaire mogul James Preston hires an escort as a date for his brother's wedding, he knows he's taking a risk. One thing he won't be taking? The escort's clothes off. He just wants a date--not a girlfriend. Not a relationship. No strings. No ties. No games. No sex. He has his reasons. He lost someone he loved, and isn't interested in trying again. Too many opportunities for mistakes or worse, heartbreak.

Audrey Reynolds became a high-end escort to keep her brother in his expensive group home. James Preston is the client of her dreams--he's offering to pay her more money for two weeks than she's ever made before. But James is... difficult. He's gorgeous, troubled and all too human for Audrey's business-like tastes. Determined to complete her assignment and collect the money, Audrey tries to play by James's rules. But before she knows what's happening, he's rewriting the contract.

When Audrey ends up in James's bed, he realizes that she's everything he's wanted... and everything he's been running from.
