Welcome to Madison Falls, where love is in the air and gossip is ripe on the vine. Sophie Brandon's old flame is back in town and hotter than ever. Reed Sutton has his eye on Sophie and is determined to show her that love is sweeter the second time around. Susan Behon presents *Fall for You*, Book 1 of her new, contemporary romance series, Madison Falls.

Sophie Brandon is in a bind.

After eight years, Reed Sutton is back in town and back on Sophie's radar. Her high school crush is home to stay and hotter than ever. How can she avoid the gorgeous construction manager when she needs work done in her bakery?

Reed knows he's overqualified for the simple renovation, but when it comes to sweet Sophie, he's the man for the job. Her kitchen heats up when one kiss leads to more and a storeroom mishap throws her right into Reed's arms. Once he catches her, he can't seem to keep his hands off of her...cookies.

Small town gossip mixed with threats against Sophie are a recipe for disaster. Will history repeat itself or will love conquer all?
