My Life and My Life in the Nineties (Wesleyan Poetry Series) Lyn Hejinian

Lyn Hejinian is among the most prominent of contemporary American poets. Her poem *My Life* has garnered accolades and fans inside and outside academia. First published in 1980, and revised in 1987 and 2002, *My Life* is now firmly established in the postmodern canon. This Wesleyan edition includes the 45-part prose poem sequence along with a closely related ten-part work titled *My Life in the Nineties*. An experimental intervention into the autobiographical genre, *My Life* explores the many ways in which language—the things people say and the ways they say them—shapes not only their identity, but also the very world around them.
