The African Adventurers: A Return to the Silent Places

Peter Hathaway Capstick

The African Adventurers: A Return to the Silent Places Peter Hathaway Capstick

Peter Capstick has been hailed as the adventure-writing successor to Hemingway and Ruark. Only Capstick "can write action as cleanly and suspensefully as the best of his predecessors" (*Sports Illustrated*). This long-awaited sequel to *Death in the Silent Places* (1981) brings to life four turn-of-the-century adventurers and the savage frontiers they braved.

* Frederick Selous, a British hunter, naturalist, and soldier, rewrote the history books with his fearless treks deep into the Dark Continent.

* English game ranger Constantine "Iodine" Ionides saved Tanganyikan villages from man-eating lions and leopards. He also gained lasting fame for his uncanny ability to capture black mambas, cobras, Gaboon vipers, and other deadly snakes.

* The dashing Brit Johnny Boyes who gained the chieftainship of the Kikuyu tribe with sheer bravado and survived the ferocious battles and ambushes of intertribal warfare.

* And Scottish ex-boxer, Jim Sutherland, one of the best ivory hunters who ever lived. His tracking skills and stamina afoot became the stuff of African hunting legend.

If you are a Capstick fan, you'll relish *The African Adventurers*, his eleventh book. Once again he delivers "the kind of chilling stories that Hemingway only heard second-hand...with a flair and style that Papa himself would admire" (*Guns and Ammo*). The author's pungent wit and his authenticity gained from years in the bush make this quartet of vintage heroics an unforgettable return to the silent places.
