## **Painted Deserts** Valerie Haynes Perry

LENORE BROOKS is an African-American woman in her early forties who visits the Old Town Oakland farmers' market on Friday afternoons. Though she is married to JAMEY LAMONTE, a very successful realtor, she finds herself drawn to MANGROVE WINGFEATHER, who she has noticed at the market for several weeks. Lenore dabbles at painting and Mangrove sets up exhibits at the Oakland museum. After Jamey sells some of Lenore's paintings as a "surprise," without her permission, Lenore leaves home and accepts Mangrove's invitation to accompany him to the Painted Desert on a business trip. Overshadowed by a full solar eclipse, their travels bring to light a shocking secret that pulls Lenore in many revealing directions.

### From reader reviews:

#### David Shields:

Book is actually written, printed, or created for everything. You can know everything you want by a guide. Book has a different type. To be sure that book is important matter to bring us around the world. Beside that you can your reading talent was fluently. A reserve Painted Deserts will make you to be smarter. You can feel more confidence if you can know about almost everything. But some of you think that will open or reading a book make you bored. It's not make you fun. Why they may be thought like that? Have you trying to find best book or appropriate book with you?

#### Cathy Lantz:

What do you in relation to book? It is not important along with you? Or just adding material when you need something to explain what the ones you have problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to do others business, it is make one feel bored faster. And you have time? What did you do? All people has many questions above. They should answer that question since just their can do that will. It said that about book. Book is familiar in each person. Yes, it is correct. Because start from on kindergarten until university need that Painted Deserts to read.

#### Harrison Colon:

The book with title Painted Deserts contains a lot of information that you can study it. You can get a lot of profit after read this book. This book exist new expertise the information that exist in this publication represented the condition of the world right now. That is important to yo7u to find out how the improvement of the world. This specific book will bring you in new era of the glowbal growth. You can read the e-book on your own smart phone, so you can read this anywhere you want.

#### Bradford Bryant:

Playing with family in the park, coming to see the coastal world or hanging out with friends is thing that usually you may have done when you have spare time, after that why you don't try point that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Painted Deserts, it is possible to enjoy both. It is very good combination right, you still would like to miss it? What kind of hangout type is it? Oh seriously its mind hangout men. What? Still don't obtain it, oh come on its named reading friends.
