Stranger on a Train (Strangers for a Moment Book 1) Mark Casigh

Unlike a great many Romances, this story does not involve a Villain or a Disaster that our hero & heroine must overcome to find their growing love for one another. These are two lonely people, approaching their middle age years, who find one another and realize the void in their lives, as well as the need and potential love to fill said void.

This story is about strangers who meet on a train and take that one step further to cultivate a relationship. Well, they go quite a bit further than that... Find out how much further, find out the true depths of their loneliness and intensity of their emotion and their love and the REAL Story behind Valentine's Day!
