Carole Rogel Poirier

The Breakup of Yugoslavia and Its Aftermath, 2nd Edition (Greenwood Press Guide to Historic Events of the Twentieth Century) Carole Rogel Poirier

Rogel, a leading U.S. specialist on Yugoslavia and the war in Bosnia, examines the breakup of Yugoslavia in 1991, the war in Bosnia, the peace settlement, and the problems that continue to exist in Bosnia and Serbia today. She provides information and analysis to help students understand the collapse of Tito's Yugoslavia, the causes and effects of the ensuing war, and the aftermath of the conflicts. Seven essays analyze the crisis, including two that focus on the aftermath of a decade strained with conflict and war, and the current conditions in the former Yugoslavia.
