Bad boy film producer Elliott Regan has left a pile of broken hearts behind him almost as big as his billionaire inheritance. Now his playboy behavior has landed him in low-budget movie hell with a new, inexperienced director. Except for the woodsy setting that'll let him shift into his bear form easier than in LA, he's sure it'll be his worst nightmare. But the moment he sees his stunning, curvy mate, he knows all his old ways are behind him.

As both a minority and a first-time film director, Laila Marks knows she can't waste her one shot to make it in Hollywood. And the last thing she needs is a bear shifter on her set. Laila grew up around shifters and knows all about bossy alpha bears—and what can happen when a good bear goes bad. But Elliott is persistent ... and sexy as hell. She might change her mind if Elliott can prove himself trustworthy.

There's only one problem. Elliott has no idea he's a shifter prince who can't take the throne without a mate. And someone lurking in the shadows is bent on making sure he never does ... by destroying his credibility with Laila.

Each of the sexy books in the Alpha Bear Princes series includes a fated love story with a happily-ever-after; curvy, smart BBW heroines; and steamy billionaire heroes with heart-melting powers. (WARNING: These naughty princes might just melt your Kindle too!)

The books can be read in any order, but are most fun this way:

ALPHA BEAR PRINCES: PRINCE HUDSON

ALPHA BEAR PRINCES: PRINCE SAMUEL

ALPHA BEAR PRINCES: PRINCE ELLIOTT

ALPHA BEAR PRINCES: PRINCE MAXWELL

Enjoy them all! And don't forget to visit the author's website for an extra surprise when you finish the book!
