Truth and Authority in Modernity (Christian Mission and Modern Culture) Lesslie Newbigin

In this brilliant and tightly reasoned volume, well-known author Lesslie Newbigin analyzes the sources of truth and authority in the modern world. He acknowledges that modern society treats all claims to authority with suspicion. With what authority, then, can and does the Christian church present the gospel to modern society? Bible, tradition, reason, and experience are all used in answering this question, and this book seeks to examine their proper use and their relations to each other.
