*Your New Money Mindset* is a new way of thinking about the role money plays in our lives. Many of us live with ongoing, and often unexamined, tension related to money. Few of us have really escaped the credit-card trap or freed ourselves from worries about having enough for the future. Co-authors Brad Hewitt, CEO of Thrivent Financial, and James Moline, licensed psychologist, believe we haven't spent enough time examining our fundamental attitudes toward money and aligning those attitudes to our core values. Before you can remake your money habits, you need to start with your heart. In *Your New Money Mindset*, Brad and Jim guide you through the Money Mindset Assessment, which will help pinpoint what attitudes about money you could work on in order to develop an openhearted attitude to life. The goal is to cultivate a surplus mindset that allows you to enjoy what you already have and be generous toward others. Discover today how to free yourself from the money trap and create a healthy relationship with money.
