Institute of Noahide Code (UN NGO) would like to promote the 7 Laws of Noah to bring Peace and unity to all. The seven laws of the Noahide Code – which will be promoted through our outreach project – are the following: 1) Prohibition of idolatry; 2) Prohibition of murder; 3) Prohibition of theft; 4) Prohibition of sexual immorality; 5) Prohibition of blasphemy; 6) Prohibition of eating flesh from an animal while it is still alive; 7) The requirement of maintaining courts to provide legal recourse. These laws were given to Noah by the Almighty, creator and Master of the world, after he was saved with his family from the flood with the promise that if they were kept by all mankind, The Almighty would not destroy the world again. What is most beautiful about these laws, is the breathing room they provide. They resonate equally in Africa, (North) America, (South) America, Antarctica, Asia, Australia and Europe. They are like the guidelines of a great master of music or art: firm, reliable and comprehensive. They are the pillars of a new peaceful and democratic world. "The Seven Noahide Laws" are a sacred inheritance of all the children of Noah. Everybody can use them as the foundations of his/her spiritual, moral and pragmatic life. If we will begin to incorporate these laws into our lives, we will see this concrete change around us.
