El orden político en las sociedades en cambio (Spanish Edition) Samuel P. Huntington

Samuel P. Huntington fue uno de los principales analistas políticos del siglo XX. El autor consideraba que las causas de la violencia e inestabilidad en los países en vías de desarrollo de Asia, África y América Latina radican en la lentitud a la hora de instaurar las instituciones políticas apropiadas para permitir el cambio social y económico.

Este libro es un cuidadoso estudio de las causas de los movimientos revolucionarios, de la intervención de los militares en la política, de las circunstancias que convierten a la reforma en un estímulo de la revolución, del papel de la corrupción, del dilema entre reforma y libertad en las sociedades tradicionales, de la función de los partidos políticos y de la actividad. Para concluir, presenta su propia teoría de la modernización política, un planteamiento que se ha convertido en uno de los análisis de la política comparativa más importantes de los últimos años.
