Each month there are thousands, and thousands, of individuals who search on Google, and Amazon, for guides on the basic steps in buying a home.

Real estate information, and advice, seems to be everywhere. That should be a good thing. But for many first time home buyers, it is overwhelming. Many feel it is way too much information and are confused. They don't know where to start.

If you are looking for a simple guide that provides a complete overview, and presents the basic steps, in the home buying process, then this kindle book is for you.

**This kindle guide is perfect for first time home buyers. Everything is explained in simple, easy to understand, steps so that you immediately know where to start:**

*\* Is Buying A Home Really Right For You?*

*\* What Can You Really Afford?*

*\* Pre-Qualifying versus Pre-Approval*

*\* Home Financing Options*

*\* Working With Real Estate Agents*

*\* Making An Offer On A Home*

*\* And Much More*

This Home Buying Guide provides a simple, step by step, overview for First Time Home Buyers. However, it is not a 300 page college textbook, with excess information, that will require a large commitment of time just to read through it all.

It is a very quick read that gives you all the information needed to understand the home buying process. And to get started as soon as possible. It even includes a couple of videos.

This guide will help you avoid common mistakes. And save money.
