I Seem to Be a Verb

R. Buckminster Fuller, Jerome Agel, Quentin Fiore

I Seem to Be a Verb R. Buckminster Fuller, Jerome Agel, Quentin Fiore

Buckminster Fullers explorations as an architect, engineer, philosopher and futurist are extended into experimental book form through his collaboration with producer Jerome Agel and designer Quentin Fiore. I Seem to Be A Verbs utopian plans, clever insights and light-hearted musings rub elbows with revelatory and often jolting reminders that we are in motion, full of impulsive nerves, flowing blood and constant thought. This fun and challenging book is packed with images, dense layouts and narratives reading both front to back and in reverse. All this to remind us that we are verbs, not nouns! Buckminster Fuller was awarded 25 patents, invented the geodesic dome, the dymaxion car and was expelled from Harvard twice. I Seem to Be a Verb was originally published in 1970. I am convinced that creativity is a priori to the integrity of the universe and that life is regenerative and conformity meaningless. R. Buckminster Fuller.
