Obeying Jesus: Expanded Second Edition with Study Guide Steve DuPlessie

In his last moments on earth with his core disciples, Jesus said "Go and make disciples, teaching them to obey all that I have commanded." So, what are these commands that sincere, authentic followers of Jesus should be obeying? In *Obeying Jesus*, Steve DuPlessie outlines the seven critical commands for every Christ-follower -- with some important warnings, some very practical suggestions, and a built-in Study Guide for individuals and groups. Encouraging for new believers, useful for those in the trenches of making disciples, and challenging for mature believers, *Obeying Jesus* offers a positive, functional focus on what it means to make and be a disciple in the 21st century.
