Same Difference Siobhan Vivian

Portrait of the artist as a young girl, from new teen writer Siobhan Vivian

Emily is ready for a change. She's been in the same town with the same friends for a long time...and none of them really understand her art. But when she goes to Philadelphia for a summer art institute, she suddenly finds like-minded people. One in particular, Fiona, intrigues and challenges her. But there are some things Emily is going to have to find out for herself -- like what the balance is between life and art, and which is more important when push comes to shove.
