This best-selling book, now in its landmark 30th year, is the cruise industry bible: it gives you all the information you need to choose the right cruise for you. Meticulously updated every year by cruise expert Douglas Ward, it is divided into two main parts: the first helps you work out what you're looking for in a cruise vacation and how to find it; the lively text and color photographs describe every aspect of life on board, including safety, the highs and lows of the cruise experience, and how to save money. The second part contains unbiased reviews and fascinating detail of almost 300 ocean-going cruise vessels, and grades them on service, food, entertainment, and facilities, using an internationally recognized ratings system.
