Fundamental Theology (Midwest Theological Forum) - Hardcover

"This textbook by A. Blanco and F. Ocariz is a valuable instrument for introducing the reader to the study of Revelation through the basic program of fundamental theology. Firmly centered on the Paschal Mystery of Jesus Christ as the fulfillment of God's Revelation, the fourteen chapters of this book offer a systematic study that harmonizes both the dogmatic and the apologetic perspectives. This book will be profitable not only for those beginning theological studies but also for all the faithful who are interested in deepening their understanding of the Christian Faith." -Rev. Giuseppe Tanzella-Nitti Professor of Theology at the Pontifical University of the Holy Cross in Rome
