**JFK: Caso abierto: La historia secreta del asesinato de Kennedy (Spanish Edition) Philip Shenon**  
**La explosiva crónica del asesinato de John F. Kennedy que obligará a reescribir la historia del magnicidio más famoso del siglo veinte.**

Una tarde de la primavera de 2008, sonó el teléfono de Philip Shenon en la delegación de *The New York Times* en Washington. Quien llamaba era un importante abogado que había empezado su carrera hacía casi medio siglo como miembro de la Comisión Warren que investigó el asesinato de Kennedy. “Cuenta nuestra historia”, dijo. “No somos jóvenes, pero muchos de los miembros de la comisión seguimos vivos, y esta puede ser nuestra última oportunidad para contar lo que realmente ocurrió”. Así empezó un trabajo de cinco años para reconstruir la historia oculta de la investigación más importante y más controvertida del siglo veinte.

El libro pronto se convirtió en algo mucho mayor: Shenon descubrió que gran parte de la verdad sobre el asesinato del presidente todavía no había sido contada, y que muchas pruebas habían sido escondidas o destruidas por la CIA, el FBI y otras personas que ocupaban lugares de poder en Washington. En el tenso y absorbente libro de Shenon aparecen las figuras legendarias que protagonizaron esa época: Robert Kennedy, Jacqueline Kennedy, Lyndon B. Johnson y J. Edgar Hoover.

A partir de cientos de entrevistas y un acceso sin precedentes a los miembros supervivientes de la Comisión Warren y a otros protagonistas, el sólido y definitivo libro de Philip Shenon cambiará la idea que tenemos del asesinato de John F. Kennedy y de la fallida investigación que le siguió.
