Is it really possible that most traditional mainline Christian denominations, both Protestant and Roman Catholic, are programmed to ignore over 90% of the Old Testament and almost 50% of the New Testament? YES it is! It is due to lectionary scripture assignments. Church members are hardly ever taught about how scriptures are chosen for their worship services and preaching. Most clergy will also not question the "culture" of their own denominational "traditions" and bureaucracy. Biblical illiteracy is the result. This book could change your congregation, or provide reason to find a new one. Read and find out more. Don't fear the reaper. Become like they are. (AMOS 9:13)
