## **Mickey Mantle: America's Prodigal Son** Tony Castro

In the life of the great cultural icon baseball slugger Mickey Mantle, we see America's romance with boldness, its celebration of muscle, and its comfort in power during a time when might did make right. But if his life symbolized the great expectations of America in the 1950s, it also epitomized the dashed dreams of a troubled generation in the 1960s and its unrealistic hopes for achievement. *Mickey Mantle: America's Prodigal Son* is both an explosive biography of one of the world's most fascinating and enduring sports heroes and a telling look at the American society of his time. During six years of research, former *Sports Illustrated* writer Tony Castro interviewed more than 250 friends, teammates, lovers, acquaintances, and drinking buddies of one of America's most famous sports heroes.
