— The heroes of the Fifth Crusade have risen to undreamed of heights of power and have dealt blow after blow to the demonic armies of the Worldwound. As they return from their last foray into the Abyss, however, they find that their enemies are no longer just sending minions after them—now they’ve drawn the attention not only of the leaders of the Worldwound, but even of their demonic patron, Deskari, Lord of the Locust Host. Permanently closing the Worldwound is within the heroes’ grasp, but in order to achieve their goal, they must venture where no crusader has ever returned from intact: the crumbling City of Locusts. There, they must defeat its powerful demonic ruler—yet even this is just a stepping stone to the final battle against Deskari himself!
