Weary of struggling with your toddler? Frustrated with the failing advice of secular psychologists and permissive parenting gurus? Leery of the strict focus on rules and the hyper-regimentation advocated elsewhere? If you are simply looking for a straightforward Biblical approach to parenting that focuses on the heart of your child, as well as his outward actions, then Raising Godly Tomatoes is for you. In these pages you'll find a wealth of common sense and godly wisdom, a guide to applying reasonable discipline, and instructions on how to build a close relationship with your child. Raising Godly Tomatoes encourages parents to keep their young children -- their little 'tomatoes' -- lovingly staked to them, in order to train and apprentice them in a godly way of life that will prepare them for Christ's calling in the future, and render them a pleasure to live with today.
