The Isle Royale Folkefiskerisamfunn: Familier Som Levde Av Fiske: An Ethnohistory of the Scandinavian Folk Fishermen of Isle Royale National Park National Park Service Midwest Regional Office

The Bureau of Applied Research in Anthropology University of Arizona ethnographic team contracted with the National Park Service Midwest Regional Office in 1998 to conduct an ethnographic and ethnohistoric study of commercial fishing activities at Isle Royale National Park. The U of A team, having no connection with Isle Royale National Park, the commercial fishermen or their families who are the focus of this study, provides this report as an independent study of the ethnography and ethnohistory of commercial fishing at Isle Royale.
