Whose Wedding Is It Anyway? (Red Dress Ink Novels) Melissa Senate
Eloise Manfred just sold her soul to the wedding devil.

In exchange for a free \$100,000 dream wedding, she'll be featured in a trendy magazine as "Today's Modern Bride." So what if the advertisers dictate what she wears, eats, and registers for? From the gown (it has *yellow feathers*) to the reception hall (vampire chic) to the rings (what metal *is* that?) to the prime rib (tofu!), Eloise knows that what really matters is the groom (cold feet?). All she has to do is keep a wedding-planning diary (heavily edited) and have her friends and family ooh and ahh over her leather veil in photo shoots.

Friends, Eloise has: bridesmaids Jane, Natasha, Amanda and oddball co-worker Philippa, the magazine's "traditional (ha!) Bride." Family, she doesn't have. Eloise's mother passed away, her father took off years ago, her too-cool-for-words brother is either climbing Mount Everest or scamming a rich older woman in Beverly Hills and her fiancé's family is certifiable. So between choosing rubber bridesmaid dresses and worrying about the photo shoots, Eloise finally asks the question: Hey--whose wedding is it anyway?
