Dark Visions (Sarah Roberts Book One)

Eighteen-year-old Sarah Roberts experiences blackouts. When she wakes, notes are written in her own hand. Prophecies. Dark Visions. Future events with dire consequences only she can avert.

Sarah is an Automatic Writer who suffers from a rare obsessive-compulsive disorder called, trichotillomania.

She receives a message that details a kidnapping and what she can do to stop it. She has averted kidnappings before. The notes are quite specific. She's convinced this one won't be that hard.

But things go wrong when the kidnappers recognize her. People are killed. Witnesses place Sarah at the scene. The police find her notebook riddled with prophecies of accidents and crimes - they want answers.

Sarah is in a fight for her life with no one to trust and a kidnapping ring who want to find out how she knows so much about them. The police are hunting her for very different reasons while her parents think she's at a sleepover.
