Dead Dot Com

Sam West

Dead Dot Com Sam West

Every last thing you look at on the net is monitored and recorded. Nothing is sacred. Someone, somewhere, knows your deepest, darkest secrets.

Are your intentions noble when you open up your laptop? Because the living aren't the only ones watching, the dead are too.

So next time you go surfing the darknet, beware.

And if you get an email from 'dead.com', whatever you do, don't open it...

Because those snuff films might be the last thing you ever see.

Extreme horror from Sam West.
