Magic Marks the Spot (Very Nearly Honorable League of Pirates) Caroline Carlson

Pirates! Magic! Treasure! A gargoyle? Caroline Carlson's hilarious tween novel *The Very Nearly Honorable League of Pirates: Magic Marks the Spot* is a seafaring romp like no other. The paperback features an Extras section containing an interview with the gargoyle, Hilary's application to the Very Nearly Honorable League of Pirates, and a sneak peek at the second book in the series, *The Terror of the Southlands*.

Hilary Westfield has always dreamed of being a pirate. There's only one problem: the Very Nearly Honorable League of Pirates refuses to let any girl join their ranks of scourges and scallywags. But Hilary won't let this stop her; instead, she sets out to find her own piratical adventure and gets swept up in a madcap quest involving a map without an X, a magical treasure that likely doesn't exist, a talking gargoyle, a crew of misfit scallywags, and the most treacherous—and unexpected—villain on the High Seas.

Written with uproarious wit and an inviting storyteller tone, the first book in Caroline Carlson's quirky series is perfect for fans of Lemony Snicket's *A Series of Unfortunate Events* and Trenton Lee Stewart's *The Mysterious Benedict Society*.
