Psicopolítica: Neoliberalismo y nuevas técnicas de poder (Pensamiento Herder) (Spanish Edition)

Byung-Chul Han

El filósofo Byung-Chul Han dirige ahora su mirada crítica hacia las nuevas técnicas de poder del capitalismo neoliberal, que dan acceso a la esfera de la psique, convirtiéndola en su mayor fuerza de producción. La psicopolítica es, según Han, aquel sistema de dominación que, en lugar de emplear el poder opresor, utiliza un poder seductor, inteligente (smart), que consigue que los hombres se sometan por sí mismos al entramado de dominación.

En este sistema, el sujeto sometido no es consciente de su sometimiento. La eficacia del psicopoder radica en que el individuo se cree libre, cuando en realidad es el sistema el que está explotando su libertad. La psicopolítica se sirve del Big Data el cual, como un Big Brother digital, se apodera de los datos que los individuos le entregan de forma efusiva y voluntaria. Esta herramienta permite hacer pronósticos sobre el comportamiento de las personas y condicionarlas a un nivel prerreflexivo. La expresión libre y la hipercomunicación que se difunden por la red se convierten en control y vigilancia totales, conduciendo a una auténtica crisis de la libertad.

Según Byung-Chul Han, este poder inteligente podría detectar incluso patrones de comportamiento del inconsciente colectivo que otorgarían a la psicopolítica un control ilimitado. Nuestro futuro dependerá de que seamos capaces de servirnos de lo inservible, de la singularidad no cuantificable y de la idiotez -dice incluso- de quien no participa ni comparte.

From reader reviews:

Shirley Raine:

What do you about book? It is not important along? Or just adding material when you really need something to explain what the ones you have problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Every person has many questions above. They have to answer that question mainly because just their can do that. It said that about book. Book is familiar in each person. Yes, it is correct. Because start from on jardín de infancia until university need this Psicopolítica: Neoliberalismo y nuevas técnicas de poder (Pensamiento Herder) (Spanish Edition) to read.

Garland Thorpe:

Nowadays reading books be than want or need but also become a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The details you get based on what kind of reserve you read, if you want have more knowledge just go with education books but if you want really feel happy read one together with theme for entertaining such as comic or novel. Often the Psicopolítica: Neoliberalismo y nuevas técnicas de poder (Pensamiento Herder) (Spanish Edition) is kind of book which is giving the reader erratic experience.

Harry Anderson:

People live in this new time of lifestyle always aim to and must have the spare time or they will get large amount of stress from both way of life and work. So , whenever we ask do people have extra time, we will say absolutely of course. People is human not just a robot. Then we question again, what kind of activity have you got when the spare time coming to an individual of course your answer can unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative throughout spending your spare time, the book you have read is definitely Psicopolítica: Neoliberalismo y nuevas técnicas de poder (Pensamiento Herder) (Spanish Edition).

Warren Cruz:

Playing with family inside a park, coming to see the ocean world or hanging out with buddies is thing that usually you could have done when you have spare time, subsequently why you don't try matter that really opposite from that. Just one activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Psicopolítica: Neoliberalismo y nuevas técnicas de poder (Pensamiento Herder) (Spanish Edition), you may enjoy both. It is very good combination right, you still would like to miss it? What kind of hang type is it? Oh occur its mind hangout folks. What? Still don't have it, oh come on its known as reading friends.
