## **ADRIANNA**

I have a great job, a great team and a great life. Sure, everything is just great... Except my love life. That's why I called Sandra's executive dating service. It might be just the boost I need to get over my past and find true... Levi? Levi the model playboy turned billionaire? Damn, what was I getting myself into?

## **LEVI**

My 35th birthday was a bust as usual. Drunk girls in my bathtub, messy bed and painful hangovers. I'm done. Meeting Adrianna was the best blind date I'd ever been on. God she was hot and inspiring and special. Something I didn't know I needed until I had her. But then she slipped away. I'll be damned if I don't show her how much she needs me too...

*....and TWO BONUS ROMANCES including...*

## **ASHANTI**

My entire life, I've been reaching towards one goal: to become a well known lawyer, and a feared face in the court room. Working with Noah Matteson's Manhattan firm is the best training I can have if I'm ever to start my own firm. Only one problem. Everything about my gorgeous boss draws me in and the feelings aren't exactly professional...

## **NOAH**

I want her. God, do I want all of her. Her body, her mind, and her heart. Ashanti is intelligent, beautiful, and is a great help to me and the pressures of my job. I know it's not fair to keep her working late but I can't take my eyes off her. She's my ultimate fantasy. But I can't get a read on her. Will she run or accept what I have to give?...
