The Drug Trial (Mind Control, Impregnation Erotica) Michael Meadows

She's gambling one night on her whole future

Tracy Bennett is a chemist, and she's working on a particularly interesting project for the government -- all top secret, of course. The goal? Mind control. She wasn't the first person chosen for the job, but the last one ended up violently attacked in a trial gone wrong. If Tracy manages to bring in a working drug, it could mean she is set for life, but the threat of making a deadly mistake pushes the deadline back further and further.

One night, her husband tells her that he's solved it. He's read her files, and he's solved the puzzle of the mind control drug's flaw. All he wants from her in exchange for the solution is one thing: He gets to be the first to test it, on her...
